Appointment - OMNES Education José MILANO appointed Executive Chairman

The OMNES Education Group is pleased to announce the appointment of José MILANO as Executive Chairman. Previously General Manager of OMNES Education, José MILANO will be responsible for continuing and finalising the implementation of the Group's ambitious transformation and development plan up to 2025. To ensure the success of the Group's project, José MILANO will rely on the work already carried out over the last few months by the current management team, as well as on Mathias EMMERICH, who has been appointed Chairman of the Supervisory Board of the OMNES Education Group, replacing Françoise GRI.

A graduate of the Ecole Normale Supérieure de Cachan, Sciences Po Paris and Université Paris I, José MILANO will join the OMNES Education Group in November 2019 as Deputy Managing Director, responsible for operations, before being promoted to Managing Director in January 2020. Continuing the work begun since his arrival at OMNES Education, José MILANO will be responsible for implementing the Group's transformation and development plan. The three strategic priorities - the student experience through investment in buildings, campuses, digital tools and human support for teams - will remain at the heart of the project.

José MILANO previously held the positions of Deputy Director, then Director General of Kedge Business School (2016-19), and Director of Social Affairs at the Fédération française de l'assurance (2012-16), after a career in AXA's Human Resources and Distribution departments. He was AXA's Group Training Director and Director of Social Relations, Employment and HR Development.
