# TRAVELLING tips

You can buy an **Oyster card** at all Tube, London Overground and most TfL rail stations. You need to pay £7 for the card and then top up (weekly).

⚡ For tube & bus, if you use your **contactless bank card**, you do not need to buy a ticket. Please with your bank on transfer fees.

Keep in mind that bus journey is cheaper. You can also walk, ride a bike. We do not recommend you to drive in Broadong (congestion charge & parking fees are really high).

## USEFUL APPS TO TRAVEL IN LONDON

CityMapper

# — BEFORE your search

1. Make sure you **take note of the travel time to campus** from each location. A direct tube line to campus is best and will mean you are less likely to ever be late.
2. Marylebone is an expensive area, however the areas further away tend to be less expensive. Rooms that are a walking distance from campus tend to be £950-1,200 per month. Check [this website](#) or [Time Out Guide](#) to understand the different areas of London.
3. Check agencies customer service reviews from others on their website or via [Trustpilot website](#).
4. Make sure you know **what bills are included** in your monthly/weekly rental price and services concluded (internet, gas, water, electricity, council tax). Have their confirmation in writing.
5. If you book in advance, **send a confirmation email** to person/service confirmed your booking to make sure they are aware of your arrival date and time in London.
6. Check [Money Supermarket](#) to find the best student broadband deals.

## IMPORTANT TIPS

# DURING your search

1  
START

Start with our recommended agencies and if no suitable options, then you can look other options online. **BE CAREFUL OF SCAMS!**

2  
TRY

Use [CityMapper app](#) rather than Google Maps so that you know how long is your daily commute.

3  
JOIN

Join these Facebook groups: Omnes Education Student London School Student, Cercle des Français à Londres, les Filles de Londres.

4  
REMEMBER

If you are dealing with an agency, you will be required to pay **deposit** (usually 1 month rental) before your move in date. Our recommended agencies are flexible on short term stays.

Other agencies may ask you to sign a long-term contract, that may be longer than study period (you will be penalised if you leave earlier).

5  
CLARIFY

Room types: single or single en-suite (with bathroom), or twin rooms if you wish to share a room with a friend (cheaper option).

# WHEN YOU FOUND *your place*

- Make sure you **visit or take a virtual tour** via Teams / Facetime etc.
- **Do not sign a contract in a hurry** - make sure you understand and agree to the Terms & Conditions. Ask if any additional fees apply to your tenancy before signing your contract.
- Double check if you are exempted from **Council Tax** (*Taxe d'habitation*) (cf. last page).
- As soon as you move in, **report any damaged items** that may need fixing or replacing. Take photos of the room or items and email your agency / landlord immediately!
- We recommend that **students arrive in London a few days before** the start of classes, so that last-minute verifications can be completed.
