# WHAT TO DO next

*Once you've completed your 18+ Student Photocard application*

1. Keep your email, password and security question noted somewhere safe, as you will need these details to check your account status or when you contact TFL.
2. If you experience payment issues, your account will be blocked for security reasons. To unblock your account, contact TFL on 0343 222 1234 (option 1). You will be best at requesting TFL to take you payment for the membership, over the phone (the line is safe!)
3. After 5 working days, log back in your TFL account and check your account status.. If you forget any of these details, you will need reset your password from TFL website. If you fail, please contact TFL. The line is very busy, so call by 9 am and if you call after 9 am, you may have to wait longer before someone answers!

# How to load Your photocard from any tube station

1. Tap your photocard on the reader (see below image) in any London tube station.
2. Select zones you will be travelling from – to. i.e.: 1-2 or 1- to whichever London zone you live at. Our campus is in **Zone 1**.
3. Check on TFL link below, which Tube station is closer to your home address and see which tube station zones you will be travelling from and to: <https://tfl.gov.uk/maps/track/tube>
4. 30% discount will be applied automatically.
5. You will be paying the discounted price, but on season travel cards ONLY. The student discount do not work on pay as you go fares.
6. Once loaded the monies on the photocard, you will be able see at which date you due to reload the monies, i.e.: 7th day or on 30th day/31st day from last payment date.

If your card has been enrolled in the Authenticated Payments Program (3D Secure):

The application will forward you to your Card Issuer's website for identification. After the verification process has been completed, you will be sent back to the main site so the payment process can be concluded.

If your card has been registered with 3D secure:

You will be redirected to your card issuer's security page once you have submitted your card's details. You will need to check all of the information on this page and you will be required to enter details based on your bank/building society password. The page may take a moment to load.

If your card has not been registered with 3D secure:

If your card Issuer does not require any additional security checks from you while your order is processed, then you will shortly be redirected to the confirmation screen upon completing this page. Some issuers give you the option to register for this service. It adds extra security when paying online with your card by adding an additional security check.

## Payment confirmation

Thank you for your payment.

### What happens next

Once your application has been approved, we will email you. You can then sign in to your photocard account and add pay as you go credit, a Travelcard or Bus & Tram Pass.

We'll review your application and email you if we need any further information. Please check your email regularly for updates.
